

Prayer and Praise Update

July, 2020

Dear Praying Friends,

Greetings from Grand Teton National Park!

As you can probably tell from the greeting, everything came together for me to be able to take a short vacation trip this summer. I left Tucson on the 7th of July, and expect to be back there around the middle of August. It has been a good time to get away from the city and the Arizona summer heat, and to enjoy the smell of pine and aspen trees instead of car exhaust.

Even while traveling, I continue to get requests for help. Some things I am able to do, even with limited Internet connectivity. Others will have to wait until my return.

When I get back to Tucson, I will also need to start looking at replacement electronic equipment, such as computer and cell phone. I know the specific requirements; I just need to be able to find appropriate devices and get them.

And after that, it will be time to actually start planning my return to Brazil.

So please give thanks:

- For a safe trip so far—including a close encounter with a bear on a trail!
- For all the beautiful things that God put in this world.
- For progress toward being able to return to Brazil.

Please pray:

- That the rest of my trip would continue to be safe, and for a timely return to Tucson.
- That I would be able to rapidly respond to requests for help when I get back.
- That I would find the right electronic equipment to meet my needs in Brazil.
- That all of the final steps for my return to Brazil would come together in a timely fashion.

Taking a break to enjoy God's Creation,

Bill Penning
