

Prayer and Praise Update

November, 2020

Dear Praying Friends,

Greetings one last time from Tucson!

As I write this, there are less than two weeks remaining before I leave the desert and head back up to Wisconsin. On the way, I will stop to visit friends and a church in Indiana. Afterward, I will head up to the Dairy State to spend Christmas with family. Then, on the 31st of December, barring anything unforeseen, I will fly out of Green Bay and arrive in Brasília on the morning of January 1st. Please pray that nothing would hinder my return. As I have mentioned in previous communications, the ALEM leadership already has plans for projects that require my participation.

In addition, I will be taking back a number of pieces of equipment for these projects, and for a few other needs. As I write this, some of these items have already been purchased. Please give thanks for these items, and pray that I would be able to get the rest of the equipment without difficulty.

As you are all aware, the presidential election in America is still in doubt. In spite of what the media is telling us, there is strong evidence of massive fraud. Please be praying that the LORD would intervene where necessary to cause the *true* results to be revealed and prevail. Lying and deception are abominations in the eyes of God.

While recently discussing this issue with a friend, we talked about the need for spiritual revival in America. Afterward, he asked me to organize my thoughts into a format that he could send to his mailing list. As a result, I have created a PDF document outlining the need for a true great awakening. And while I do not believe it appropriate to include with this Update, if anyone is interested, I would be happy to send a copy in a private email.

And so I would like to close by wishing all of you a very happy Thanksgiving. No matter what happens in this world, we still have a lot to be thankful for.

So please give thanks:

- For a good time in Tucson, and the chance to reconnect with many friends.
- For the equipment for ALEM that I have managed to get so far.
- For the congregation that graciously provided my return air fare to Brazil.
- For all of the blessings that God has given us, even when we don't see them!

Please pray:

- For safe travels all the way back to Wisconsin.
- That nothing would hinder my return to Brazil.
- That I would be able to get the remaining items for ALEM without difficulty.
- That *truth would prevail* in the presidential election.

Finalizing preparations for my return to Brazil,
